Chamber to support the Live Downtown Jacksonville website and marketing effort.

And if you look at Exhibit 1 to that resolution, our obligation is to contribute 10,000 prior to October 1. The Chamber will continue to host and update it throughout the year and will continue to market downtown Jax residency. They will display our logo where appropriate. And we will be a partner in the site, as other entities are, developers, and other donors.

3

4

A tab will be established on the JAXUSA home page for downtown Jax as opposed to just Jacksonville generically. That will be able to direct people to downtown.

And this will entitle DIA and downtown Jacksonville to Items 2 and 3 for the upcoming fiscal year, which means 12 months from now essentially. Any extension beyond that will be on mutually agreeable terms. So whether or not we make a contribution for the second year will be up to us a year from now, and we'll see how effective the site is.

I will tell you, I think this is a bargain for us because the site that we're working on,

THE CHAIRMAN: Let's start the Downtown Investment Authority meeting.

I'll entertain a motion.

approved.

BOARD MEMBER GILLAM: Second.
THE CHAIRMAN: Properly moved and

seconded.

Any discussion?

BOARD MEMBERS: (No response.)

THE CHAIRMAN: Approved unanimous.

Next is Resolution 2019-09-08.

MS. BOYER: So Resolution 2019-09-08 is the contribution of \$10,000 to the Jacksonville

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203

(904) 821-0300

the Invest Jax site, you know, we're spending -- and we're getting a good deal on that, but we're spending near \$50,000 on the development and implementation of that site, and we're having to do it ourselves. In this case, the Chamber has already done it and invested all that. So a \$10,000 contribution in something that is specifically geared toward bringing residents downtown I think has great value.

And these funds are this year's -- this fiscal year's funds. And since you're in the DIA, we realize -- and not in the community redevelopment area, these were operating funds for the DIA that we were able to piece together and that we would lose at year end if we didn't use them.

THE CHAIRMAN: Can we get a motion on 2019-09-08?

BOARD MEMBER GILLAM: So moved. BOARD MEMBER BARAKAT: Second.

THE CHAIRMAN: Properly moved and seconded.

24 Discussion, Mr. Froats.

BOARD MEMBER FROATS: No comments.

It must have been I wasn't 6 aware of it until we saw it. I guess I'm 7 embarrassed to say that, but I thought it was 8 great. 9 BOARD MEMBER MOODY: Money well spent. 10 THE CHAIRMAN: Ms. Worsham. BOARD MEMBER WORSHAM: I agree. Money 11 12 well spent. 13 THE CHAIRMAN: Any further discussion? 14 BOARD MEMBERS: (No response.) 15 THE CHAIRMAN: Hearing none, all those in

24 Next is Resolution 2019-09-10.

25 MS. BOYER: Mr. Parola.

1 MR. PAROLA: Thank you.

2 2019-09-10 is the second amendment to an

3 existing allocation of development rights

4 agreement for multifamily that's come to

5 affectionately be known as Ventures of the

6 Southbank. It's been around for a good number

7 of years. It went through some litigation.

8 They've resolved everything.

What this resolution is doing is making
the performance schedule consistent with the
performance schedule and the redevelopment
agreement that you all amended in June of this
past year. So that's kind of just checking the
box.

It also does a couple of things for us that we wanted to memorialize. The first one is, they're reducing the number of units from 300 to 185. By memorializing it in this, we get the balance of that back so that the balance of this is 115.

Also, the developer that existed in 2007, which is no longer around but still has an interest in this property until it's sold, had rights to 128 marina slips. We've gotten both parties to agree, they have no use for them,

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

1 and they will be coming back to you as the

2 master developer for the DRI for use wherever

3 you so desire in downtown.

4 So the reason for bringing back, again,

5 the resolution is to memorialize the two

6 allocations and make sure that the performance

7 schedule coincides with the redevelopment

8 agreement.

9

11

19

THE CHAIRMAN: Very good.

10 I'll entertain a motion on 2019-09-10.

BOARD MEMBER WORSHAM: Move to approve.

12 BOARD MEMBER MOODY: Second.

13 THE CHAIRMAN: Properly moved and

14 seconded.

15 Ms. Worsham, would you begin?

16 BOARD MEMBER WORSHAM: Well, to regain

17 those marina sites is a very valuable

18 proposition for us at this stage, so well done.

THE CHAIRMAN: Mr. Moody.

20 BOARD MEMBER MOODY: I'm curious, when you

21 go from 300 to 185 and we're trying to

22 encourage mass downtown, why such a great

23 reduction?

24 MR. PAROLA: Through the Chair, that's --

25 we were very supportive of 300. They have

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

neighbors, and they did what neighbors do, theyworked out an agreement to where they both

a lili 'il lili

3 could live with each other.

Because we want to encourage moreresidential development, especially on the

6 Southbank, and all over downtown, we will take

7 the 185-unit development. And I don't think

8 we're going to have a problem backfilling the

9 other 115 units, not at all, sir.

BOARD MEMBER MOODY: Okay. Thank you.

11 THE CHAIRMAN: Thank you, Mr. Moody.

12 Mr. Gillam

BOARD MEMBER GILLAM: It's always been a tiny site, in my mind. Going from 300 to 185

15 probably makes sense.

I can't remember -- we're just talking about development rights to this point. How does the -- or if it does, the reduction in

19 units have any effect on any grants or

20 increment funding? Are we providing any

21 funding on this project?

MR. PAROLA: Through the Chair, that's when the redevelopment agreement comes in.

24 There is a REV Grant on the site.

25 The operative provision about the REV

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203

1 Grant is that they are giving us -- so there's
2 legislation going through, legislation that was
3 passed a while ago, to give us a -- make sure

we have a 20-foot easement all along -- from

5 Prudential Drive and then back through their

6 property line on the river. So that's going to

7 give us a mixed-use path and it's going to give

8 us an extension of the Riverwalk. Part of the

9 redevelopment agreement, they're required to

10 construct it and they're required to maintain11 it.

Ms. Jill Enz, in the Parks Department, and I have met with the development team several times. And, in fact, we're meeting with them again this Friday at 11:30 to walk the site and make sure it looks and feels and is obvious to everybody that it belongs to the public.

MS. BOYER: But to your point, Mr. Gillam, a REV Grant is still based on the capital investment in the property, so --

21 BOARD MEMBER GILLAM: It's going to go 22 down.

MS. BOYER: -- the capital investment is lower. Because there are fewer units, then the REV Grant net amount will be less.

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

THE CHAIRMAN: Anything else?

2 BOARD MEMBER GILLAM: No.

3 THE CHAIRMAN: Mr. Barakat.

4 BOARD MEMBER BARAKAT: The only question,

5 the deadlines you have here, the -- all the

6 development rights go back to DIA if any of

7 these deadlines are not met?

8 MR. PAROLA: Yes.

9 BOARD MEMBER BARAKAT: We don't need to

10 change it today, but I would, in future

11 resolutions, maybe say that that -- it just

12 says that these are the deadlines, but it

13 doesn't indicate what happens if such deadlines

14 aren't met. Just to make it more clear.

MR. PAROLA: Through the Chair, I agree with you. We used the catchall sentence at the end, all other terms and other conditions of the allocation are granted, but your point is

well made. We'll be explicit in furtherresolutions.

BOARD MEMBER BARAKAT: Thank you.

22 THE CHAIRMAN: Mr. Froats.

BOARD MEMBER FROATS: No comments.

THE CHAIRMAN: Any further discussion on

25 2019-09-10?

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

1 BOARD MEMBER MOODY: One question.

2 THE CHAIRMAN: Yes, sir. Mr. Moody.

3 BOARD MEMBER MOODY: Did I hear you say

4 the developer did change from the original5 developer?

6 MR. PAROLA: My apologies.

7 There were two developers, one in 2007,

8 who proposed the marina slips, and the current

9 developer. And the reason I brought those up

10 is because both have agreed that we're getting

11 the marina slips back. That was the only

12 reason for mentioning it, sir.

13 BOARD MEMBER MOODY: Okay.

14 THE CHAIRMAN: Any further discussion on

15 2019-09-10?

16 BOARD MEMBERS: (No response.)

24 Any further on the chief executive --

10 **1** of quick things to you. I know everybody is

2 ready to close here.

3 Number one is we had an item about soil

4 testing on Lot J that we were thinking we would

5 have at today's meeting. It just kind of came

6 up yesterday or the day before, and they

7 indicated they could wait till the October

8 meeting for that. They're doing some other

9 testing in the meantime that is less invasive,

testing in the meantime that is less invasive,

10 so that's one item that we already have coming

11 up in October, and you can look forward to

12 that.

13 The other thing that I wanted to share

14 is -- I mentioned it briefly when I talked

15 about the Retail Committee, and I think

19

Part of my focus is, as we are driving

20 hard to get to our 10,000 residents and

21 encouraging residential development everywhere,

22 I think one of the things we have to not lose

23 sight of is the need to bring retail and

24 grocery stores and services and all of those

25 things alongside so that we maintain or create

a desirable downtown urban lifestyle in those 2

areas, and I have a particular focus that I'm

3 working on right now involving the Elbow and 4

its proximity to our courthouse/City Hall site 5 which I think will help elevate the value of

6 that site and its absorption, and another Laura

Street/Hogan Street corridor project.

So I think both of those two areas are particularly right for this and I'm going to be coming back to the Retail Committee to talk about some tiered ways to incentivize things that include additional funding if you have sidewalk cafe space, and perhaps this is where we start on our two-way streets and this is where we start on some of our beautification efforts and this is where we bump the curbs out

So I'm looking at it more comprehensively 18 as how we take some fairly defined geographic 19 areas and intensify the retail opportunity in 21 those areas so that you can start to build critical mass because, while we have wonderful 22 23 establishments downtown, they're quite spread out and they don't create that feel yet, but -we have a couple of clusters, one in the Elbow

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

and one in Laura/Hogan where we're starting to build it. And I think with a little push, we

3 could really create an environment in those two

areas that would be meaningful. 4

to make the sidewalk wider.

So you're going to see more details of that plan. I'm sharing it only because I -it's leaking, and I don't want anyone to feel like somebody has inside information and someone else doesn't if they happen to own property in those areas.

Other than that, we have a pretty full plate of normal business coming our way. We have some other prospective developments that we're hearing about, but that weren't ready for this. I think you should expect to see news on Berkman and Berkman coming back before the end of the year. I think we have some potential on that.

And our goal would be, once the courthouse City Hall site hits the street and we have completely finished the RFP and we enter into the cone of silence period and get a little break on that one, to really start looking at the Landing and going back to pulling out the charette documents, identifying what we would

Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203 (904) 821-0300

want to see in terms of the mix of uses, what we would want to see in terms of design,

et cetera, as we move forward on that.

And Mr. Parola has had some great meetings about the Park Street project that we're implementing right now. So we are nearing completion on Riverplace Boulevard, and the Park Street design is going well.

15

16

8 And any others in that regard that you wanted to update the board on?

I think the Blue Cross -- by the way, I

12 think you will be -- I hope you will be.

Mr. Parola and I had an opportunity to attend 13 14 the meeting with Blue Cross, looking at the

15 preliminary design for the garage, and I was

quite pleased with the opportunities and what 16

17 was being shown for it. It is not a

traditional looking garage. So I think that 18

19 could be a real asset in that area.

> Again, I think that public parking next to Park Street will really help not only Unity Plaza and the hotel and other businesses going in that direction, but the eventual development of the Park Street corridor.

That's it.
