Minimum Expenditures: In order to be eligible for the maximum amount of the DPRP Loans, the Borrower must provide evidence and documentation prior to the applicable DPRP Loan closing sufficient to demonstrate to the DIA, in its sole but reasonable discretion, the following:

- (i) Minimum Eligible Construction Costs incurred of NINE HUNDRED FORTY-ONE THOUSAND SEVEN HUNDRED FORTY-FIVE AND 00/100 DOLLARS (\$941,745) calculated as the Total Budget Amount less costs classified as “N/A” (the “Minimum Eligible Construction Costs”), and
- (ii) Construction Costs incurred of at least the Funding Category Minimum with respect to each Funding Category.

Funding Eligibility:

Notwithstanding the foregoing,

- 1) To be eligible for maximum commitment of \$900,000 in forgivable loans under the DPRP, Regions shall incur not less than \$2,633,000 in Total Development Costs (as defined in the DPRP Guidelines) to preserve and rehabilitate the Property (collectively, the “Improvements”), it being understood and agreed that the tax assessed value of the Property (\$1,433,000.00) shall be included towards the required Total Development Costs. However, minimum funding levels will ultimately be determined by the mix of funding components and the related advance rates as outlined in the DPRP Guidelines.
- 2) The required Minimum Eligible Construction Costs of \$941,745 may be reduced by a maximum of ten percent (10%) overall, as approved by the DIA Staff in its sole and absolute discretion, without affecting the Borrower’s eligibility for funding under the DPRP.
- 3) Any Funding Category Minimum may be reduced by a maximum of ten percent (10%) on a stand-alone basis, as approved by DIA Staff in its sole and absolute discretion, provided

that, in such event, there shall be a pro rata reduction in the applicable DPRP Loan(s), as required. Eligibility for funding under any Funding Category shall be eliminated if the corresponding Funding Category Minimum is reduced by more than ten percent (10%), and eligibility for funding under the remaining Funding Categories shall remain in place unless it has been determined that material components of the rehabilitation have not been met as determined by DIA and HPS staff, in their sole discretion.

- 4) Funds shall have been appropriated by City Council to effectuate the purpose of each DPRP Loan Request as approved by the DIA Board.

Infrastructure: No City of Jacksonville infrastructure improvements are contemplated.

Land: No City of Jacksonville land is committed to the project.

Loans: This DPRP Loan request is the final of three requests available under the Amended and Restated Economic Development Agreement as approved by Ordinance 2023-150-E. Of the total \$900,000 approved, the remaining commitment totals \$0. Funding of any amount approved by the DIA Board under this commitment shall require final inspections of the work completed by DIA and HPS staff in accordance with the approval, and appropriation of funds by the City Council.

Performance Schedule:

- A. Application for a building permit from the City of Jacksonville must be made within 90 days of final approval by the DIA Board.
- B. Commencement of Construction for Phase III shall occur not later than 90 days following receipt of the City of Jacksonville building permit that is necessary for commencement of such construction.
- C. Completion of Construction for Phase III shall occur not later than 365 days after the date that the City of Jacksonville issues the building permit for such work.

Additional Commitments:

- A. Recommendation as to the eligibility of the approved scope of work on the Properties by the Planning and Development Department shall be required prior to DIA Board approval of any program funding. Such recommendation by the Planning and Development Department may be conditional on further review and approvals by the State Historic Preservation Office ("SHPO") and/or the National Park Service ("NPS"), as may be required.
- B. Upon Substantial Completion and request for funding, all work on the Properties must be inspected by the Planning and Development Department or designee for compliance with the approved application prior to funding under any DPRP loan component.
- C. Each DPRP loan will be cross-defaulted with one another.
- D. As the Borrower will be utilizing a combination of an HPRR Forgivable Loan and a CCR Forgivable Loan, the maturity of each of these Forgivable Loans will be five (5) years.

Principal outstanding under each note will be forgiven at the rate of 20% annually on the anniversary date of each such funding, so long as no defaults exist per loan documents.

- E. Standard clawback provisions will apply such that:
- a. In the event the Borrower sells, including without limitation a capital lease transaction, or otherwise transfers the Historic Building during the first five (5) years after the disbursement of the Forgivable Loans, the following amounts of any Forgivable Loan shall be due and payable at closing of the Sale:
 - i. 100% if the Sale occurs within 12 months after disbursement of the Forgivable Loan;
 - ii. 80% if the Sale occurs after 12 months but within 24 months of disbursement of the Forgivable Loan;
 - iii. 60% if the Sale occurs after 24 months but within 36 months of disbursement of the Forgivable Loan;
 - iv. 40% if the Sale occurs after 36 months but within 48 months of disbursement of the Forgivable Loan; or
 - v. 20% if the Sale occurs after 48 months but within 60 months of disbursement of the Forgivable Loan.
 - b. Changes in the proposed intended use of the property must continue to contribute towards the relevant Redevelopment Goals and Performance Measures of the DIA and shall be presented to the DIA for further approval not less than 90 days in advance of such changes, and such approval shall not be unreasonably withheld. In the event Borrower or any lessee or assignee of the Borrower uses the Project or the Historic Property or Properties for any use not contemplated by this Agreement at any time within five years following the disbursement of the Forgivable Loan or Loan without such approval, the full amount of the amounts awarded, together with all accrued but unpaid interest thereon, may be declared by the DIA to become due and payable by the Borrower.
- F. Funding in the amount of the DPRP Deferred Principal Loan component (if any) will have a stated maturity date of ten years from the Funding Date. The loan balance is due in full upon maturity, sale, or refinancing of the property prior to maturity, subject to terms of the disposition and value of the property at the time of such event.
- G. The DPRP Deferred Principal Loan component (if any) requires fixed annual interest payments equal to the total principal outstanding multiplied by the prevailing Yield on the US Treasury Ten-Year Note established at the time of closing.
- H. Partial Principal reductions on the DPRP Deferred Principal Loan (if any) may be made after the fifth anniversary with no prepayment penalty; however, a minimum of 50% of the initial loan balance must remain outstanding through the loan maturity date unless the Property or Properties are sold or refinanced during that period, subject to DIA approval.

- I. DIA reserves the right to approve any sale, disposition of collateral property, or refinance of senior debt prior to the forgiveness or repayment of any DPRP Loan. DIA Staff may negotiate terms in the Redevelopment Agreement and/or Loan Documents that allow de minimis levels of refinancing that may be undertaken without requiring further approvals.
- J. All Property, business, and income taxes must be current at the time of application and maintained in current status throughout the approval process, the term of the Redevelopment Agreement, and through the DPRP loan period.
- K. Minimum insurance requirements as established by the City of Jacksonville Risk Management Department must be met prior to closing and maintained throughout the term of the development agreement.
- L. Payment defaults, bankruptcy filings, or other material defaults during the DPRP loan period will trigger the right for the City of Jacksonville to accelerate all amounts funded and outstanding under any or all programs at such time, plus a 20% penalty of any amounts amortized or prepaid prior to that date.

There will be additional terms, conditions, rights, responsibilities, warranties, and obligations for both parties, which shall be determined in a later negotiated mutually agreeable written contract (or multiple written contracts as is deemed necessary).
